

OUR VISION

Bromley
Clinical Commissioning Group

Helping the people of Bromley live longer,
healthier, happier lives

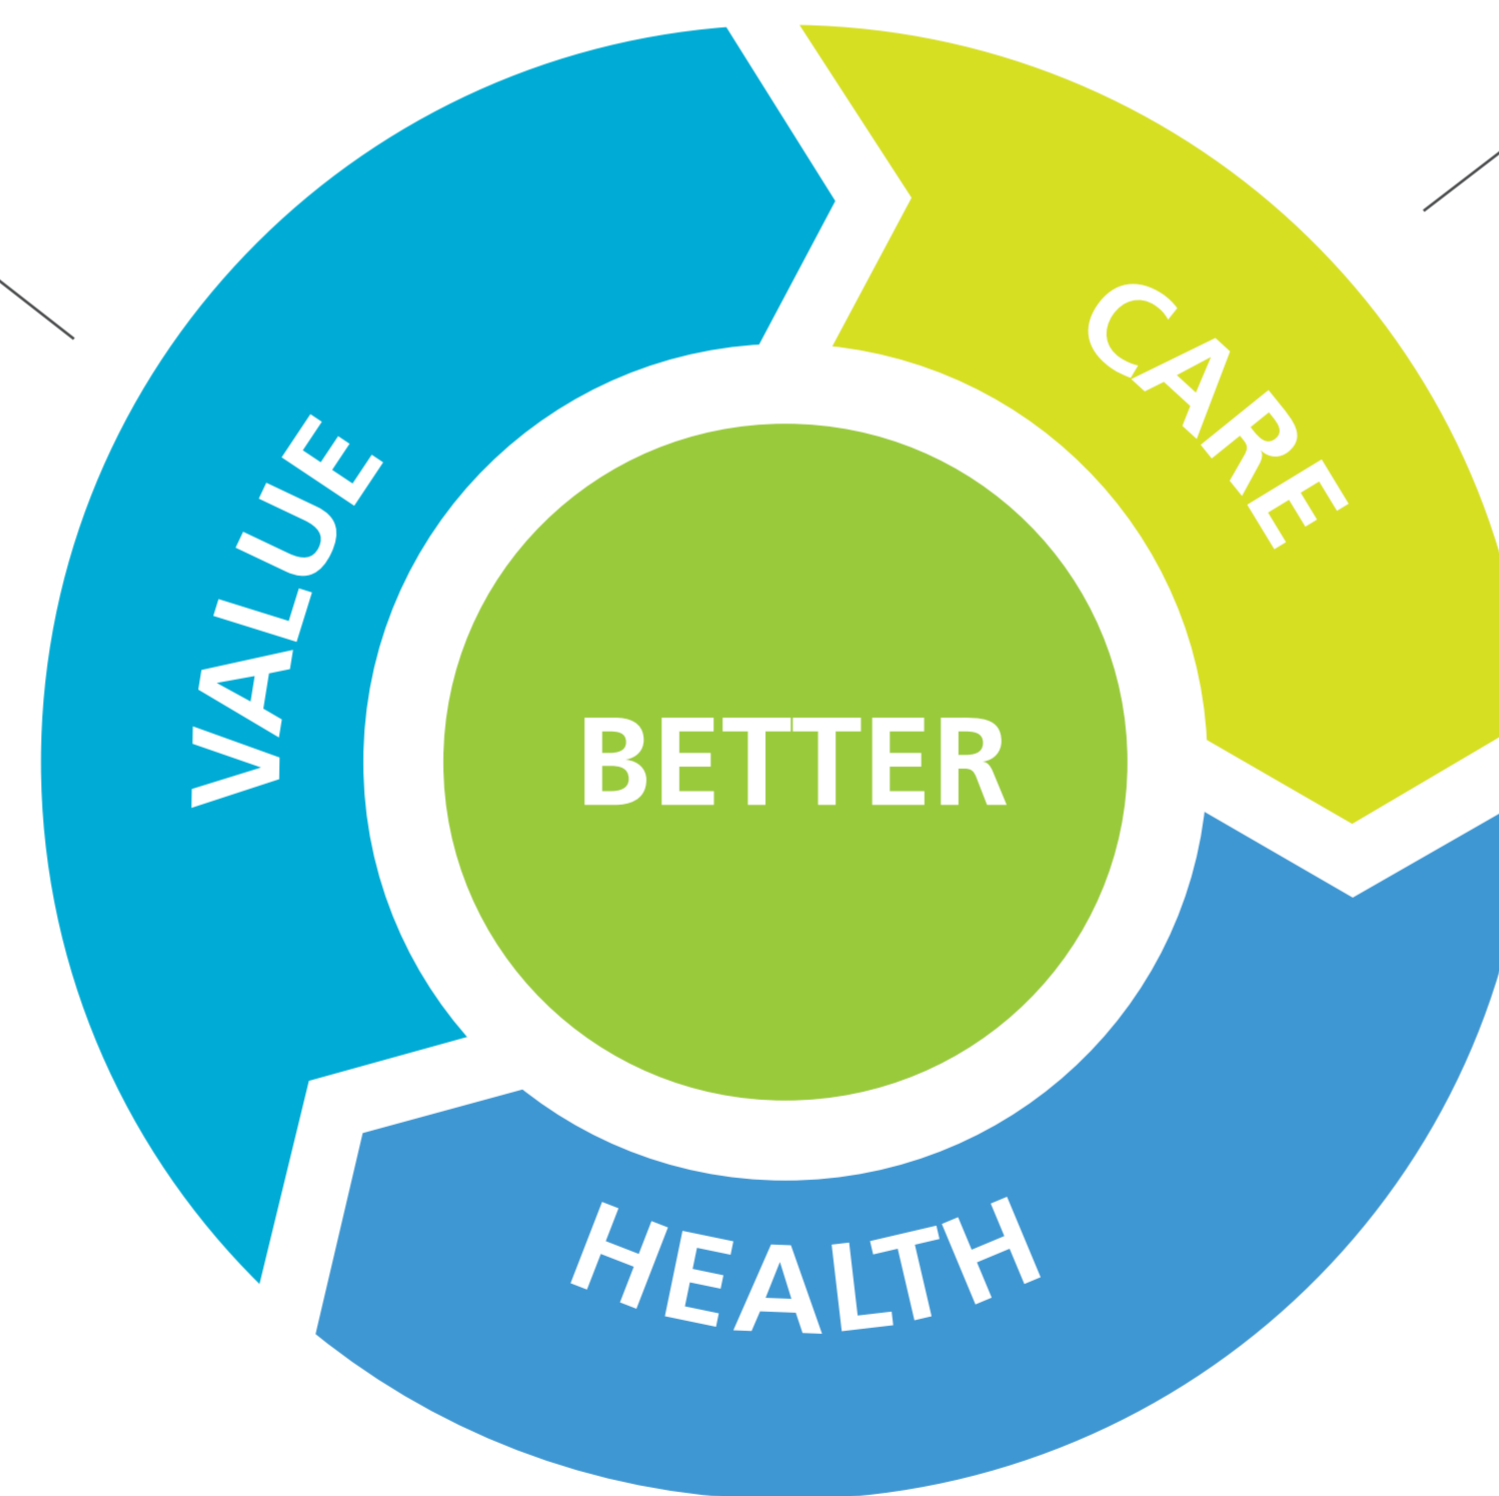

Value

- ★ Finding the best ways to deliver care for community, making the most of local healthcare professionals and buildings and not waste money.
- ★ Looking for more ways to provide care in the community, for example at doctors' surgeries or healthcare clinics

Care

- ★ Always looking for ways to improve Bromley's services so they match the needs of local patients.
- ★ Changing how services are delivered so that patient care is more joined up across GPs, hospitals, community and social services.

Health

- ★ Ensure everyone in Bromley can get high quality care and treatment when they are ill or injured.
- ★ Help everyone in Bromley live healthy, independent lives.
